Financial Report - No Financial Report this month, our meeting was a week early.

Business Discussed:

- Barkley's Safe & Lock – Coming on Wednesday, January 5, at 10:00. Bill Powers will meet them there. Needed to call back and get more locks to change, 18 keys, and have them numbered.

- Upstate Doors – Discussion about the door being changed. Chuck thought the inside door and the rest of us thought the outside door. Bill Powers was going to look into this.

- Arena Winter (2022) Building Usage – C-F Figure Skaters will be handing out skates on Thursday but not skating. Lost some of the ice in the warm up.

- Committee recommends the Tentative Arena Master 2022 Schedule – Monday – Figure Skating 5-9, Tuesday – Ranger School 8:00 – 9:00, Wednesday, CLOSED,

- Thursday – Figure Skating 5-9. Friday – Open Skating 6:00 – 8:00, Saturday – Open Skating 6-8, Ranger School 8:30-9:30. Sunday Closed.

- One change to the arena schedule, Ranger School will skate from 8:00-9:00 on Tuesdays.

- Custodial Worker – Gary Jessmer talked about the loss of the ice, but he is hopeful Figure Skating can start on Monday, January 10.

- Open Skating - We created an ad and put it out on social media to hire two workers for

Open Skating at minimum wage. It would be 6 hours a week from 5:30 - 8:30 on Fridays and Saturdays until March 5th. Hope to hold interviews on Tuesday, January 11, 2022 and they would start on Friday, January 14, 2022.

- During interviews we will go over rules and expectations with the possible workers.

We made up some rules and will send those along with a copy of the schedule to be posted in the Bargain Hunter. Skaters must wear masks at all times, if they aren't following the rules they will have to leave, and they will sign in and out. If they leave before 8:00 they have to sign out and will not be allowed to re-enter that evening.

Next Arena Committee Meeting: Monday, February 7, 2022. Clifton-Fine Arena at 6 O'Clock. Meeting notice will be put in The Bargain Hunter. Meeting is open to the public.

STATE MANDATED SAFETY PROTOCOLS WILL BE FOLLOWED.
