Old Business

Keuring for Hot Chocolate ~ Need to get info to Nancy (**Look for one with 2 cups at a time.**)

White Out Weekend ~ Pickle Ball depending on the ice ~ Judy is a volunteer and she will be available.

Glow Skate ~ Asked Pam and Jenna they were not interested. They will not be available this weekend.

Keys to Volunteers ~ Give back to Julia at the end of the season. Melissa will let volunteers use them and they will get them back to her.

Snack Bar ~ trip to Sam's Club as the start of Open Skating gets closer.

Old Refrigerator taken out by the town.

New Business

Volunteers to make ice ~ Need volunteers from 12AM to 4AM to make ice that is the coldest time. Pete Cote and Justin Macagg were over working with Joe this weekend. Ryan Jones and Logan Lutz are willing to learn. Exchanging numbers to let them know when he is there and they can contact Melissa for a key. Justin came over to work with Joe on making ice and realized the Nozzle to the new hose was missing, so Justin bought an adapter so they could use the old nozzle. Joe said he was using the hose the way it was when he started last year. Also for anyone making ice, the hose needs to stay out of the warm room. When it's in there, it's hot and melts the ice when you drag it across the ice.

Pete Cote also repaired the water shower for the zamboni. (THANK YOU)

Arena Protocol: Looking at a start date of January 25th, for Figure Skating. Joe will contact Julia Thompson.

Open Hockey ~ Joe contact Lyndsay.

Ranger School ~ Joe will contact Jeremy

Rentals: Joe will be in charge of them. He will have a calendar in the snack bar area to write down rentals and he will collect the money.

Drains in the urinals in the men's room are having an issue - Joe is aware and will work on them. Joe also stated that a toilet seat in the woman's room needs to be changed. Chuck asked if any toilets in the woman's bathroom were leaking because at one time they had been.

Lights out under the bleachers. Figure Skating Room and above the hockey room. ~ Joe will change the lights. We will wait on the figure skating room until the first night of figure skating because we don't have a lot of keys and Julia will unlock the door for him.

Still need the old refrigerator taken out of the snack bar area. ~ Chuck is taking care of this.

Ryan Jones inquire about doing an Open Hockey for the younger kids ages 5-11. Logan Hayes and Logan Lutz would help him. They will only use 1/2 the ice, requiring kids to have helmets, sticks, shin guards, Lyndsay was going to advertise on the arena page.

Lyndsay will be going to Sam's Club to get some snacks, hot chocolate, cups, maybe a keurig for the snack bar.

Next Arena Committee Meeting: Monday, February 5, 2024 at 6PM at the Clifton-Fine Arena.
